

HANDICAP

NETVIE CONSTITUTES COMPUTERIZED RECORDS

for all **professional functions**
related to your resident support.

ADMIN

Quick overview of all of a resident's administrative information, with a dynamic search box.

MEDICAL

All observations, readings and prescriptions performed are **linked to your resident's medical records** in order to **improve** their care.

PARAMEDICAL

Access session reports and resident evaluations **in a few clicks**.

CARE

Define a **day-to-day resident care plan** using the **AGGIR** grid, prescriptions and **personalised project**.

PERSONALISED PROJECT

Input your resident's personal data, socialisation patterns, activities, and define a **personalised** life plan.

HOUSEKEEPING

Task plans, protocols, meal management, seating plans and transmissions.

Everything is reported **intuitively** and efficiently.

EDUCATOR

Transmissions from educators, social life, MDPH authorities and personalised user assistance (customisable GEVA grids).

STRONG POINTS >

FULL WEB

DIRECTLY ACCESSIBLE THROUGH ANY WEB BROWSER; ALL YOUR DATA IS **CENTRALISED** AND **SECURE** (HDS).

USER-FRIENDLY

SIMPLE TO LEARN AND USE ON A **DAILY BASIS**; KEY DATA CAN BE VIEWED ON YOUR HOMEPAGE, AND REPEAT ACTIONS WITH 2 CLICKS.

PERSONALISATION

NETSOINS ALLOWS YOU TO **SAVE PREFERENCES** FOR ALL USERS: EACH TIME YOU CONNECT, THE WORK ENVIRONMENT REMAINS FAMILIAR AND **ADAPTED** TO INDIVIDUAL NEEDS.

COMMUNICATION

MODULES AND FEATURES IN **NETSOINS** COMMUNICATE BETWEEN THEMSELVES TO AVOID REDUNDANT DATA INPUT AND IMPROVE ACCESS TO INFORMATION.

DATA ENTERED BY USERS **AUTOMATICALLY** FEEDS THE MANAGEMENT'S STATISTICS AND QUALITY INDICATORS.

AVAILABILITY

NETSOINS CAN BE ACCESSED **REMOTELY** BY PHYSICIANS AND PHARMACISTS, ALLOWING THEM TO CONSULT THEIR PATIENTS' RECORDS FROM THEIR OWN **OFFICES** WITHOUT NEEDING ANY LOCAL INSTALLATION.

PRACTICAL

MODULES **ADAPTED** TO YOUR PROFESSION, WITH THE PERSONALISED PROJECT, THE EDUCATOR SECTION, **CUSTOMISABLE** GEVA GRID AND THE OPTION TO COMBINE THESE WITH GERIATRIC FUNCTIONS FOR OLDER PERSONS WITH DISABILITIES.
